

REPORT

Workshop 21 : Delivering evidence based programmes for homeless young people National Board of Social Services, Municipality of Aarhus, Denmark

65 participants attended the workshop.

The workshop discussed the question: "How to make evidence evident?" and the movement from "why" to "how" in implementing evidence-based methods in social care for homeless persons.

Opportunities and challenges concerning five defined implementation-drivers were in focus:

- Management
- Intervention
- Organizational capacity
- Participants – employers
- Environment
